

Northampton Pride 2024 Information Pack – Setting up the stall

Thank you for agreeing to help set up on the day. Please ensure you have read through the general Information Pack as well for full details of the day.

Due to a Park Run event happening in the morning, the earliest time we can begin setting up is 10:00am – or as soon as the final runner has crossed the finish line. Set up must be completed by 11am at the latest; ideally we need to be set up and ready by 10:30am in order to meet for the parade.

Where possible, please enter on foot as we need to keep cars on site to a minimum. **Car Park 2 (NN1 5PA)** is our allocated car park for the day if you need to arrive by car. No car movement is allowed during the event unless with a hi-vis escort – this should not be required for us, but useful to be aware of.

The Food Market Café will be open from 8:00am for anyone wishing to have breakfast, tea or coffee before or after set up.

I will aim to be on site by 9:00am to have breakfast in the café, ready to set up from 10:00am.

Please contact me on 07518151040 or joanna.poole@hotmail.co.uk if you have any queries about the day.
