## County Training Pins-Record of Hours

## How to earn your brooches!

All the time you spend keeping up to date in your Guiding roles can help work towards a training pin.

This includes both e-learnings and face to face trainings - so attending a safe space, first response or county training day will give you hours towards a pin. The basics are;

8 hours for bronze a further 8 hours for silver a further 8 hours for gold

## 24 hours in total

e-learnings all count as 20 minutes face to face training counts as the length of the session

## Pins are free and paid for by county

Please forward this card to the County office, Unit 1 Brookfield, Duncan Close, Moulton Park, Northampton NN3 7XB or email office@girlguidingnorthamptonshire.org.uk and it will be posted back to you with the appropriate badge/s free of charge
